

## **Course Title**

U. S. Constitution Initiative Training

This course is designed to meet the requirements of U. S. Constitution. Section 110 of Pub.L. 108-447 which requires employees to have training to commemorate September 17, 1787 (the date the Constitution was adopted). Course is a reading awareness assignment, which consists of a brochure developed by OPM.

## **What Will I Learn?**

At the conclusion of this class, students will be able to answer the following questions regarding the U. S. Constitution:

- What is the Constitution Initiative?
- Why do we have the Constitution?
- Where was the Constitutional Convention held and in what year?
- How long did it take to frame the Constitution?
- What was the number of votes required to ratify the Constitution?
- How many delegates attended the Constitutional Convention?
- When was the Constitution ratified and when did all three branches of the U. S. government go into operation under the Constitution?
- Are there original ideas of government in the Constitution?
- What constitutes the Bill of Rights?
- How many amendments have there been to the Constitution? How many have been repealed?
